

DOBERMANN CLUB OF QUEENSLAND INC.

Membership Rule 6:

- 6a. Membership of the Dobermann Club of Queensland be conditional upon the participation of members in all club and NDC(A) approved breed programs, excluding competitions, training, social and working-bee events.
- 6b. A deferral of this condition on an individual basis can be considered on its merits by the club's management committee.
- 6c. An indication by a club member that they shall not comply with this requirement, will mean they forfeit membership to the club forthwith, and renewal of membership will not be granted in the future unless voted in with a $\frac{2}{3}$ majority at a General Meeting.
- 6d. Notwithstanding any of the foregoing, this ruling shall, at all times, be subordinated to any conflicting or contradictory rules or regulations of the CCC (Qld) as may be in effect from time to time.

Standing Orders:

The following Standing Orders detailing the current requirements for DCQ Inc. Breed Profile were voted upon on 3/11/99:

- Motion (S3/98-1)** All members will have tested breeding stock for vWD prior to breeding and submit results to DCQ Inc Breed Profile Program.
- Motion (S3/98-2)** All members will have tested breeding stock for Hip Dysplasia prior to breeding and submit results to DCQ Inc Breed Profile Program.
- Motion (S3/98-3)** All members will have eyes of breeding stock checked by a vet and the eye certificate submitted to DCQ Inc Breed Profile Program.
- Motion (S3/98-5)** All breeding stock over the age of eighteen months MUST participate in an NDC(A) Working Aptitude Evaluation and have indicated results (Pass/Fail) of same with the DCQ Inc Breed Profile Program.
- Motion (S3/98-6)** All Dobermanns over the age of two are to participate in NDC(A) approved breed survey program and have indicated results (grading) of same with the DCQ Inc Breed Profile Program.

For the purpose of the above motions, "breeding stock" is defined as Dobermanns of either sex, that have been, or will be bred.
